Subject: Internship completion letter

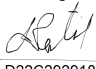

We are glad to inform you that Mr. Sibasish Padhy has successfully completed his internship at **Wynum Automation Services Pvt Ltd** from 23 May 2021 to 18 August 2021.

During his internship, he was exposed to the various activities in **Deep Learning and its applications in Natural Language Processing**.

We found him extremely inquisitive and hard-working. He was very much interested in learning about the functions of our core division and was also willing to put in his best efforts and get in to the depth of the subject to understand it better.

His association with us was very fruitful, and we wish him all the best in his future endeavors.

Regards,
